From The Chairperson's Desk

Prof. Dr. Shaharyar
Senior Clinical Oncologist

Thanks to Allah Almighty who has enabled us to start this charitable hospital. Thanks to thousands of donors who have contributed with Donations, Zakat & Sadqa. We are also proud of our Pakistani community abroad, almost every one of them is donating back home for some good cause.

Today we are providing free of cost treatment to over 350 patients per day in the Radiation Department, Out Patient Department & Palliative Care Indoor.

Please continue this generous donation to help us treat these patients and to complete this hospital. We seek forgiveness from those patients who might have had some difficulty in our early days of service.

May Allah Bless You.

FIRST EVER INSTITUTE OF PALLIATIVE CARE IN PAKISTAN

Institute of Palliative Care (IPC) has started admitting patients from November 2021. The outpatient facility has been functioning for the last 3 years. More than 3500 patients have been seen as an outpatient and subsequently managed by telemedicine & home visits. IPC is supported by Lab services, Pharmacy, Blood Bank & Ambulance services.

Prof. Dr. Riaz-ur-Rehman with his team of dedicated doctors and nurses is providing excellent Palliative Care services to both admitted and outdoor patients.

Dr. Riaz-ur-Rahman
HOD Institute of Palliative Care

FREE OF COST RADIOTHERAPY SERVICES

Prof. Areesha Zaman
Director Medical Radiation

Radiation Block of CCH, Lahore is providing free of cost state of the art radiotherapy since June 2019 to Pakistani as well as foreign patients irrespective of their caste, ethnicity and religion.

It is one of the largest radiotherapy centers in Pakistan comprising of seven radiation bunkers, a bench mark in terms of its infrastructure, capacity, and radiation delivery system. The radiation block provides radiotherapy services to 150 plus patients per day on an average.

Total Number of Radiation Exposures = 85635

FREE OF COST BREAST CANCER SCREENING

It is the only hospital in the country providing **free** Breast Cancer Screening at the door steps of under privileged communities throughout Pakistan. It has provided more than 44000 mammographies, 4500 ultrasonographies and detected and treated 250 breast cancers at an early curable stage. This is the only program in Pakistan committed to the early detection of breast cancer.

Cancer Care Hospital has spent **USD 1 Million (PKR 176 Million)** approximately on free mass breast cancer screening program for the under privileged. This burden has also been shared by MJF Lions Club Lahore.

FREE OF COST CANCER OPD SERVICES

The Out Patient Oncology Service was started in 2019 with the help of a specialized team of certified, highly trained, and experienced Oncologists, Surgeons & Nurses. They Provide services to over 200 patients every day.

FREE OF COST RADIOLOGY SERVICES

Radiology is emerging as a state of the art facility. In phase-I we are providing Digital Mammography, Breast Ultrasonography & Breast Biopsies. At times more than 20 core biopsies are performed in a single day. Digital X-Ray machine & CT scan machine have been installed.

FREE OF COST SURGICAL SERVICES

The first breast cancer surgery was done in 2017 in a hired theater. Now Two Modular Operation Theaters are fully functional in Cancer Care Hospital. Highly qualified surgical & anesthesia teams are providing the highest level of care to patients. Cancer Care Hospital has so far performed over 1800 free breast cancer surgeries & 250 Colorectal Surgeries.

FREE OF COST CHEMOTHERAPY SERVICES

Cancer Care Hospital has also started chemotherapy services. The treatment of solid tumors is being delivered free of cost to all non affording patients. A team of pharmacists & specialty nurses prepare and administer chemotherapy under the direct supervision of consultant physician.

Chemotherapy is prepared in biologic safety cabinets in specialized rooms which have clean air passage & adequate waste management system. Currently we are providing free of cost chemotherapy to over 45 patients on a daily bases.

SARAI BASHAR: THREE STORIED BUILDING

To accommodate the attendants of cancer patients and outstation patients receiving radiation treatment. A three storied Sarai has been built by one of our donors. This Sarai is now ready to accommodate 180 persons, with 100% free of cost boarding, lodging and hot meals.
