

CURRICULUM VITAE

FAISAL HANIF

MBBS, MD (UK)

FCPS, FRCSI, FRCS Glasg,

Intercollegiate Board FRCS (Gen Surg and Transplant)

Diploma of ESOT (Transplant)

CCT UK

PERSONAL DETAILS

FAMILY NAME: HANIF

FIRST NAME: Faisal

TITLE: Dr

GENDER: Male

POSTAL ADDRESS: 169, Sector M, Street 11, Phase 6, DHA, Lahore

E-MAIL: faisal.hanif@ymail.com

PHONE +92 3204352593

REGISTRATION GMC UK Specialist Register (6085541)
PMDC (Pakistan) 30200-P

MEDICAL QUALIFICATION

GRADUATION

MBBS 11/11/1996

Nishtar Medical College, Bahauddin Zakarya University Multan, Pakistan

POST GRADUATE

CCT UK 20/08/2013

**Intercollegiate specialty board in General Surgery
and Transplant (FRCS Glasg Gen Surg & Transplant)** 06/02/2013

FRCS Glasg 16/07/2002
(Fellowship Royal College of Physicians & Surgeons of Glasgow)

FRCSI 10/07/2002
(Fellowship Royal College of Surgeons in Ireland)

FCPS 04/01/2002
(Fellowship of College of Physicians & Surgeons Pakistan)

MD
Thesis title “A study of transplant online services for patient-centred care” awarded by
University of Central Lancashire, Preston. 01/04/2009

Diploma of ESOT – Hesperis Course in Transplantation (2009/2010) 06/12/2010
Awarded by European Society for Organ Transplantation

ACHIEVEMENTS

Post graduate awards and academic activities

Travel Fellowship 2014, Royal College of Physicians and Surgeons of Glasgow,
Travelling Fellow at Liver Transplant and HPB Centre, Florence Nightingale Hospital,
Istanbul, Turkey

Best Mini Oral Award, European Society for Organ Transplantation meeting,
Glasgow, 4-7 September 2011

Study Grant, Hesperis course, Advanced Training in Organ Transplantation, European
Society for Organ Transplantation, 2009-10

Study grant, Upper GI Laparoscopic Surgery Course, Cuschieri Skills Centre,
University of Dundee, September 2009

Travel Bursary, Association of Laparoscopic Surgeons of Great Britain and Ireland,
Annual meeting 20-21 November 2008

British Transplantation Society (BTS) Travel Bursary 2006
Winning notification on February 7, 2006

Research Grant, £5000
Remote preconditioning study at Addenbrooke's Hospital, Grant Approval by Cambridge
Research Advisory Group, January 2005

Reviewer of Southern Medical Journal, an official journal of Southern Medical
Association Birmingham, Alabama, USA

Adviser BMJ Careers section
British Medical Journal, www.bmjcareers.com

Membership of Societies

British Transplantation Society

European Society for Organ Transplantation

European Liver and Intestine Transplant Association

European Association for Endoscopic Surgery

Association of Laparoscopic Surgeons of Great Britain and Ireland

The Society for the Internet in Medicine

COURSES

Health Professions Education Certificate FJMU 2021

ATLS instructor course CPSP Karachi, 20-21 July 2018

ATLS Provider course CPSP Lahore, 21-23 November 2017

Workshop HPB and Liver transplant, Bali, Indonesia, 19 November 2015

European Donor surgery and split liver masterclass, 20-22 June 2012, Leiden, Holland

**ATLS revalidation, Southern General Hospital Glasgow, Course organizer:
Royal College of Surgeons England, 2011**

Transplantation Master Class, BTS, London 17-19 March 2010

**Hesperis course, Advanced Training in Organ Transplantation, European Society for
Organ Transplantation. Barcelona, 3-8 November 2009**

**Advanced Laparoscopic Surgery, Association of Laparoscopic Surgeons of Great
Britain and Ireland, Colchester, 19 November 2008**

**Problem Based Learning. Medical School, University of Glasgow. 23 November
2007**

**Transplant Operative Procedures (TOP) course, by ESOT, hands on training in
multi-organ retrievals, liver and kidney implantation. Berlin, Germany. 17 to 21 May
2007**

**Organ Retrieval Workshop, UK Transplant, The Moller Centre Cambridge, 10-11
Nov 2005**

Supervising Post graduate Students, University of Cambridge, 07/11/2005

**European Society for Organ Transplantation Post Graduate Course “Research
Tools for Transplantation” 16 October 2005, Geneva, Switzerland**

Risk Management University of Cambridge, 14 January 2005

ATLS® 10-12 March, 2004, Royal College of Surgeons, Ireland

**Principles and Practice of Research, Royal College of Surgeons in Ireland 13-
14/06/03**

CLINICAL EXPERIENCE

Director of Liver transplant Services, Consultant Hepatobiliary, Liver and Kidney Transplant Surgeon, Bahria International Hospitals, Lahore, From May 2019 to date

Professor of Surgery, Amna Inayat Medical College, 16/06/2022 to date

Lead Clinician, Consultant Hepato-Pancreato-Biliary Surgeon, Shaukat Khanum Memorial Cancer Hospital and Research Centre, Lahore, Pakistan. From October 2014 to April 2019

Locum Consultant Surgery, 2013-14 St James University Hospital, Leeds

Post CCT Senior Fellow, Liver/kidney transplant, HPB & General Surgery, St James University Hospital, Leeds, 02/10/2013 to 30/09/2014

Specialty Registrar (Higher Surgical Training) *HPB, General Surgery and Liver/kidney Transplant*, St James University Hospital, Leeds, From 1/10/2012 to 01/10/2013

Specialist Registrar (National Higher Surgical Specialist Training Scheme), Transplantation/HPB and General Surgery. I had a national training number of general surgery with specialist interest in multi-organ transplantation. West of Scotland Deanery. 10/04/2006 to 30/09/2012

Clinical and Research Fellow, Addenbrooke's Hospital, Cambridge University Hospitals NHS Foundation Trust, Cambridge. *Multi organ transplant and HPB Surgery*, 21/06/2004 to 09/04/2006

Senior House Officer, Cork University Hospital, Cork, Ireland. *Surgical Oncology*, 01/07/2003 to 20/06/2004

Senior House Officer, Our Lady's Hospital, Navan, Co. Meath-Ireland *General Surgery*, 27/03/2003 to 30/06/2003

Senior Registrar, Mayo Hospital Lahore. *General Surgery*, 05/01/2002 to 26/03/2003

Registrar, Mayo Hospital Lahore. *General Surgery*, 17/09/2000 to 04/01/2002

Resident Medical Officer, Mayo Hospital Lahore. Urology and Kidney Transplantation, Orthopaedics and Trauma, Paediatric and General Surgery. 17/08/98 to 16/09/2000

Internship: Nishtar Hospital, Multan. 02/12/96 to 01/12/97

ORAL PRESENTATIONS/LECTURES

Surgical management of liver tumours, KGMC/HMC, Peshawar. 26 January 2017

Hepatic artery anomalies encountered during Whipple procedure KMSMC, Sialkot 27 March 2016

Medical web browsing- Renal transplant patient's viewpoint, European Society for Organ Transplantation meeting, Glasgow, 4-7 September 2011

Incidence of retained stones after laparoscopic transcystic (TCE) or choledochotomy bile duct exploration(CBDE). Association of Laparoscopic Surgeons of Great Britain and Ireland,

Annual meeting, Colchester, 20-21 November 2008

Role of endoscopic ultrasound guided fine needle aspiration cytology in the management of pancreatic tumors. Pancreatic Society of Great Britain and Ireland meeting, Newcastle, 10 November 2006.

Design and evaluation of online transplant services for patient centred care Annual Research Conference, University of Central Lancashire, Preston, 28 April 2006

Outcome of marginal liver grafts initially refused by one transplant unit and subsequently transplanted elsewhere. Presented in “Medawar session”, British Transplantation Society 9th Annual Congress, 29-31 March 2006 Edinburgh

Minimally invasive radioguided parathyroidectomy (MIRP) with intraoperative parathyroid hormone (iPTH) assay is superior to MIRP alone in the surgical management of hyperparathyroidism- A prospective cohort based study. British Association of Endocrine Surgeons, 17 September 2004 Lund, Sweden

The role of rapid intra-operative Parathyroid Hormone Assay in minimally invasive radio guided parathyroidectomy. European Society of Surgical research meeting, 13 May 2004, Athens, Greece

The role of rapid iPTH in minimally invasive radio guided parathyroidectomy. Sylvester O’ Halloran Surgical meeting, March 6, 2004, University of Limerick, Ireland.

Lung Sparing Damage Control Thoracotomy. Irish thoracic society annual meeting 14th. Nov.2003 Belfast

Minimally invasive radio-guided parathyroidectomy. British Association of Endocrine Surgeons Symposium, 25 September 2003, University of Leeds UK.

Minimally invasive radioguided parathyroidectomy (MIRP) with intraoperative parathyroid hormone (iPTH) assay. 29th Sir Peter Freyer Surgical Symposium, 3rd- 4th September 2004, NUI Galway, Ireland

POSTERS

Safety of laparoscopic adjustable gastric banding - A retrospective analysis of 524 patients over 8 years'. Cancer & Obesity Conference, Valencia. 29-30 October 2010

Laparoscopic hand assisted living donor nephrectomy – West of Scotland initiative, West of Scotland Surgical Association Meeting, 29 October 2010

PTFE loop graft with Miller's cuff for haemodialysis vascular access in lower limb, our initial experience. Vascular Access Society of Britain and Ireland. Manchester, 9-10 September 2010.

A framework of transplant online services for patient centred care. European Society for Organ Transplantation. 30-31st. August 2009

Trends of web browsing in transplant patients – A Cambridge survey, European Society for Organ Transplantation. 30-31st. August 2009

Laparoscopic cholecystectomy (LC) with trans-cystic bile duct exploration (TCE)- The treatment of first choice for symptomatic or incidental common bile duct (CBD) stones. **Association of Laparoscopic Surgeons of Great Britain and Ireland**, 20-21 November 2008

Single session laparoscopic management of common bile duct (CBD) stones- A safe and cost effective option. **Association of Laparoscopic Surgeons of Great Britain and Ireland**, 20-21 November 2008

Laparoscopic management of common bile duct stones (CBD) - A safe and effective option. **Royal College of Physicians and Surgeons of Glasgow, Triennial Conference**. 6-7 November 2008

Liver transplant on the World Wide Web, **European Society for Organ Transplantation** meeting in Geneva, Switzerland, 15 to 19 October 2005

Risk factors for open conversion of laparoscopic biliary surgery. **Association of Laparoscopic Surgeons of Great Britain and Ireland**, 20-21 November 2008

Who Should Deal With Biliary Emergencies? The Case for Specialised Units. **Association of Laparoscopic Surgeons of Great Britain and Ireland**, 20-21 November 2008

MANAGEMENT EXPERIENCE

Current

- Advisory committee, Surgical Oncology, Health Department, Punjab Government
- Chairman Organizing & Scientific Committees, 17th Shaukat Khanum International Cancer Symposium 2018
- Head of Research and Audit, Department of Surgical Oncology, SKMCH & RC
- Co-Chair 16th International Symposium Organizing and Scientific Committee, SKMCH
- Member of Joint Commission International- Accreditation Task force
- Member of Operating room Management Committee SKMCH & RC
- Member of ICU Management Committee SKMCH & RC
- Member of Post graduate teaching committee SKMCH & RC
- Member of infection control committee SKMCH & RC
- Member of Tissue committee SKMCH & RC

UK experience

A- Regional organ retrieval team leader, St James University Hospital, Leeds 2013-2014

B- Managed UK Transplant Stall at Public Awareness Seminar, Primary care Unit Luton,

C- Courses attended:

- 1- Training the trainer course West Yorkshire Deanery, Leeds 2013
- 2- Management skills West Yorkshire Deanery, Leeds 2013
- 3- Managing and Developing Effective Teams University of Cambridge, 2005
- 4- Risk Management University of Cambridge, 2005
- 5- Workshop: NHS Staff Survey Working Group Addenbrooke's Hospital, Cambridge 20

TEACHING EXPERIENCE

Current post:

Examiner, FCPS Surgical Oncology, CPSP

Supervisor FCPS HPB and Liver Transplantation, CPSP

Regular commitment of undergraduate and postgraduate teaching and training, Shaukat Khanum Memorial Cancer Hospital and Research Centre, Lahore.

UK posts:

A- Supervisor of research projects, University of Leeds, 2013-2014

B- Problem Based Learning (PBL)

I supervise PBL sessions of 3rd year medical students, University of Glasgow and have received specific training of PBL from the university.

C- Invited lectures

i- Causes and prevention of common bile duct injury during laparoscopic cholecystectomy. Academic half day, Monklands Hospital, 5 January 2009

ii- An update on obesity surgery, 5 September 2007, Postgraduate Medical Centre Gartnavel General Hospital, Glasgow.

iii- I was invited as an international speaker in the “Parathyroid Symposium” at Karolinska University Hospital, Stockholm Sweden, 1st November 2004

Title: “Optimization of minimally invasive radio-guided surgery of parathyroid adenomas”
Participants: Consultant Surgeons and Surgical Trainees

iv- Lecture on “Careers in Transplantation”

Undergraduate Medical Students, Clinical School, University of Cambridge, 5th July 2005

D- Surgical Examiner of Finals of 3rd year medical students, University of Glasgow, 4 September 2007

E- Clinical Supervisor (Surgery) MB/PhD students, From October 2004 to March 2006
School of Clinical Medicine, University of Cambridge, UK

I worked part time for the School of Medicine, University of Cambridge as a Clinical Supervisor of MB/PhD students. My commitment included clinical bed-side teaching, tutorials and case discussions.
